Sonlight Rental Group Information

Everything you need to know to run a winter retreat at Sonlight Christian Camp

Contract and Rental Rates

When a date is booked for your group, we will mail you two copies of our rental contract along with this rental group information letter. Please read over this information letter and the contract carefully. Collect the necessary signatures and return one copy of the contract along with your \$300.00 deposit by the due date indicated on the contract. Keep the second copy for your records. Your \$300.00 deposit applies towards your total charge. If you rolled your deposit from a previous year, you do not need to send a new deposit. **We require a signed contract and \$300.00 deposit to hold your booking past the due date. If we do not have the contract and deposit at that time, we reserve the right to book another group for those dates.**

Our rental rate for Winter and Spring 2008/2009 is \$60.00 per person per day, with a minimum 2 day stay (\$120.00) required. This rate covers all meals, snacks, activities, and use of the facilities. Each group receives exclusive use of the facility, there is a 35 person minimum group size (you may come with fewer people, but you must pay for 35). The maximum capacity of the camp is 64 people. Please call Sonlight **one week** before your retreat begins to communicate the final number of participants in your group, as well as the meal schedule, food allergies, and any other special needs or requests. Payment is due when your group arrives. We prefer that your group pays with a single check. Sonlight does not accept credit cards.

Cancellation Policy

If your group should decide to cancel, cancellations made less than 8 months (240 days) prior to your rental dates will be charged 100% of the minimum amount due on your contract (35 people X your per person rate). This amount is payable upon cancellation. Your group will also be liable for any legal and/or collection fees incurred by Sonlight to enforce our contract. Cancellations made more than 8 months (240 days) in advance will forfeit the \$300.00 deposit but owe nothing else.

Supervision, Behavior, and Discipline

Supervision and discipline of the campers is the responsibility of the rental group. The behavior of the group as a whole and each individual of the group is the responsibility of the group leader. To comply with our accreditation standards, the following minimum supervision ratios must be maintained in both living group (cabins) and general camp activities:

<u>Age of Children</u>	<u># of Children</u>	<u># of Adults (18 or over)</u>
9 through 14 yrs. old	8	1
15 through 18 yrs. old	10	1

Sonlight also reserves the right to charge for damage (including graffiti) caused by the rental group to any equipment or property.

Skiing at Wolf Creek

Many of our winter groups ski at the nearby Wolf Creek Ski Area. Sonlight is located 29 miles from the ski area (about a 45-60 minute drive, depending on the weather). Sonlight is not affiliated with Wolf Creek Ski Area, but we do offer some suggestions for ski trips:

- Sonlight does not rent skis or equipment. We recommend that your group rent directly from the rental shop at the ski area. They are usually well organized, reasonably priced, and good at accommodating large groups. In addition, you can leave your equipment at the ski area instead of hauling it back and forth to camp.
- Sonlight does not sell lift passes. They can be purchased directly from the ski area.

Wolf Creek offers group discounts on ski rentals, lessons, and lift passes for groups of 25 or more. For more information and group package literature, call Wolf Creek Ski Area at 1-800-SKI-WOLF (1-800-754-9653) or visit their web site at www.wolfcreekski.com. Don't forget that Wolf Creek requires all your group information forms two weeks before your first day of skiing.

Charter Busses

If your group will be traveling by charter bus, we would like to offer some important tips to make your trip more hassle free. We suggest that you call your charter bus company and confirm the following details with them:

Your bus should:

- Have snow tires or all season radials with adequate and legal tread depth
- Have tire chains that fit and are in good repair with rubber chain tighteners
- Be able to release the air off the tag axle for added traction
- Have an engine heater for cold morning starts

Your bus driver should:

- Have experience in Colorado winter driving and mountain road conditions
- Make arrangements to stay at a motel in Pagosa Springs or with your group at camp (Note: there are no private accommodations for drivers at Sonlight).

The bus company should be aware that:

- Colorado State Patrol may (depending on road conditions) require tire chains on all vehicles over 10,000 lbs. GVW in order to go up Wolf Creek Pass.
- Sonlight Camp is located 7 miles off of US 160 on a maintained gravel road

Food Service

Sonlight serves meals family style (with serving bowls and platters at each table). We also provide a “sack lunch bar” in the mornings for groups that will be skiing during the day. We can make allowances for most dietary allergies or intolerances **if we are notified at least one week in advance**. Please contact the Sonlight office by phone: 970.264.4379 or email at sonlight@sonlightcamp.org. Vegetarian alternates will be offered if advance notice is given. Due to our family style food service, Sonlight cannot cater to individual diets.

One week prior to your arrival, please send Sonlight a copy of your retreat schedule with meal times indicated. While you are at camp, if changes need to be made to this schedule, please notify the kitchen as soon as possible. We time our food preparation so that meals are hot, fresh, and ready to be served at the time indicated on your schedule, so please encourage your group members to arrive on time for meals! We will ring the dinner bell five minutes prior to each meal.

Note: Sonlight does not have a soft drink machine on our premises. You may bring your own soft drinks if you wish to provide them for your group.

Insurance / Medical Provisions

Sonlight carries a general liability policy that covers our staff. This policy DOES NOT cover rental group staff or counselors. Any liability policy to cover rental group staff is the responsibility of the rental group. Sonlight does not carry health or accident insurance for rental groups. We suggest that you check with your church or sponsoring agency to determine what coverage is provided for your participants.

We **strongly** recommend that you keep a record of the names and address of all participants in your group, as well as emergency contact information should the need arise to contact next of kin, parents or guardians. We also suggest that you gather information regarding the special health concerns of your participants, including known allergies, chronic or recent health concerns and healthcare treatments which a participant may need on the trip. For minors, a signed *Permission to Treat* statement from parent or guardian should also be obtained.

Sonlight does not provide health care for rental groups. It is the responsibility of the rental group to provide first aid and/or emergency care for group participants. We recommend that someone in your group hold at least a current certification in basic first aid and CPR from a nationally recognized provider. We do keep a small stock of minor first aid supplies (band-aids, ointment, etc.) which your group is welcome to use.

Finally, emergency medical transportation is the responsibility of the rental group. There is a family medical clinic in Pagosa Springs (½ hour from camp) and a full service hospital in Durango (1 ½ hours from camp). Should a trip to the clinic or hospital be necessary, Sonlight is serviced by an ambulance and EMS personnel from the Upper San Juan Hospital District, or you may choose to transport the patient in a private vehicle, if appropriate. Sonlight is not liable for any ambulance and/or medical fees incurred by your group.
